

ARE YOU SUFFERING FROM HIP OR KNEE PAIN?

We are open and offer in-person or virtual appointments.

Our Rapid Access Clinic (RAC) at Halton Healthcare can help you receive the care you need, when you need it!

The RAC offers timely access to Advanced Practice Practitioners for an assessment and/or treatment plan. If your treatment plan involves a surgical consult you can choose to see a particular surgeon or the next available surgeon.

Stop waiting and speak to your primary care provider or family doctor for a referral to our RAC and improve your quality of life!
