May the winds of love blow softly and whisper so you'll hear;
 we will always love and miss you and wish that you were here.

A wonderful person, friend and aide, one who was better God never made;
 a wonderful worker, so loyal and true, one in a million – that person was you.
 Just in your judgment, always right; honest and liberal, ever upright;
 loved by your friends and all whom you knew.
 Our wonderful friend – that person was you.

A loving person, so gentle and kind; what a wonderful memory you left behind.
 Long days, long nights, you bore your pain. To wait for a cure, but all in vain.
 Till God Himself knew what was best. He took you home and gave you rest.

**Do not stand at my grave and weep,**

I am not there, I do not sleep, I am a thousand winds that blow,
 I am the diamond glint on snow, I am the sunlight on ripened grain,
 I am the gentle autumn's rain. Do not stand at my grave and cry,
 I am not there, I did not die.

JENSEN, Mark
 February 1st, 2021

We are heart-broken to announce the passing of Mark Jensen, age 60, on February 1st, 2021 peacefully at home. Mark was the loving husband to Sue (nee Clouse), and a devoted and proud Dad to Eric and Brent. Predeceased by his father Kaj, he will be deeply missed by his mother Peggy, and sister Caroline (Shawn). Lovingly remembered by in-laws, nieces, nephews and family "across the pond".

Mark pursued his desires with passion and energy, which rewarded him with many full and interesting adventures and accomplishments. As a rock climber, he learned the ropes

locally at Rattlesnake, and then ventured on to peaks in Yosemite and Wales. After excelling on the luge track at Centennial Park in Etobicoke, Mark earned a position on the Canadian luge team, competing overseas and finishing with the 1980 winter Olympics. Always an airplane enthusiast, Mark reached his goal of earning his pilot's licence, and being able to solo. Years on, he swapped the flying for a sailboat and spent the last 8 years cruising Lake Ontario with family and friends in his treasured Catalina 34. He so enjoyed his time at EYC, whether exchanging stories with seasoned sailors, or putting his woodworking skills to use to maintain the docks.

Mark's love of the outdoors and high energy will leave lasting memories with family and so many dear friends who joined him hiking, cycling, skiing, sailing, canoeing and camping.

As a Professional Geoscientist, Mark approached his career

with integrity and was known for his breadth of knowledge, leadership, and ability to foster collaboration with local peers and colleagues around the globe. After retiring, he was known to eagerly impart his earth science knowledge on any willing listener.

Shahideh, Dr. Warren Mason, Maureen Daniels and colleagues at PMH, Dr. Francois Jacques and nurses at Clinique Neuro-Outaouais in Gatineau and the Halton LHIN palliative team.

A private family funeral service will take place. A celebration of Mark's life will be planned when Covid restrictions are lifted. If desired, memorial donations to the Princess Margaret Cancer Foundation or the Bruce Trail Association would be appreciated. To send expressions of sympathy visit
