

# Supporting Local Businesses in Your Community

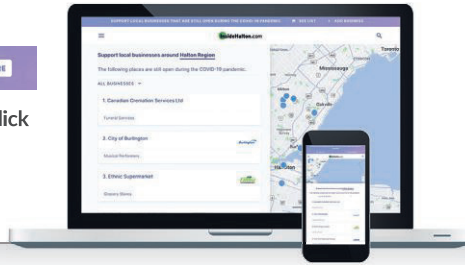

With shopping restrictions changing regularly to comply with the latest public health safety measures our communities need to be kept informed on which businesses are open and how they are ensuring a safe shopping experience.

To help our communities we have created an online business directory that features local businesses that are open, hours of operation and how customers can safely make purchases from the stores.

Our business directory can be accessed from anyone of our 25 Community sites in Ontario. Visit [metroland.com](http://metroland.com) to find the community site in your area.

Jenna Rachiele, founder of the Georgetown-based Circle Foundation, recently delivered more than 100 purses filled with various products to SafetyNet Children and Youth Charities (Oakville), Oak Park Neighbourhood (Oakville) and Women's Habitat (Mississauga). The Purses with a Purpose campaign received great support from the Bad Moms Facebook group and Georgetown Bread Basket food bank.
