16Ex Executive Trainer

SELF-CLEANING SWIM SPA

You'll get even more room for total-body fitness with HydroPools newest 16Ex Executive Trainer.

With fully jetted seats and a wider exercise area, the 16Ex Executive Trainer stands as the best swim spa on the market.

The Patented Current Collector and V-Twin Jets optimize the flow of water, allowing you to swim with much less turbulence than competing swim spas. Like the 19Ex Executive Trainer, the 16Ex Executive Trainer features the signature smoothest, most predicable current in the industry. You'll enjoy the best swim in any spa on the market.

And you can still unwind with Hydromassage jets, ergonomically positioned at back height.
