

This Mother's Day

Say *thank you* to Mom wherever she is!

For a limited time, you can tell Mom “thank you and I love you” in the pages of her community newspaper. On May 6th, we will be publishing a special Mother’s Day feature carrying your notes of affection. From as little as \$39.99 (prices vary by newspaper) you can give your Mom the special and unique recognition she deserves. Don’t worry if Mom lives in a different community - with over 60 community newspapers across Ontario, there’s a good chance we can help share your message!
