FUNDING WILL HELP LEGION WITH COMPUTER UPGRADES

EFFORTS IN SECURING THIS GRANT MUCH APPRECIATED, WRITES DAVID MALONEY

DAVID MALONEY
Column

As part of a \$14-million federal aid package, the Acton Legion applied for and received \$10,845.05. Most of this will be spent on upgrading the computer hardware and software, as well as repairs to the air conditioning. This grant reflects the great work that Anne Horne has been doing, chasing down grants and recovering insurance claims. One of the worst things about these lockdowns is that we can no longer say goodbye to those who have passed on.

We can no longer hold celebrations of life, and the recent news that "Dobbie" Frizzell had died made me think of how much we would have enjoyed holding a celebration in his honour.

Dobbie joined the legion back in the early '60s and was one of the founding members of our Thursday night men's cribbage league.

I know many of the card players would want to raise a glass and say farewell. We hope that when the branch finally opens, the families of all those friends and comrades who have died during the closure will give us the opportunity to say goodbye to the likes of Dobbie, and George, and Bryan, and Karen, as well as other members.

We offer condolences to Sheryl McKinley in the loss of her father. We also mourn the loss of a longtime member Marj Loutett and offer condolences to her son, Ron, and his wife Trevolyn, and family.

We sold almost 200 tickets for the recent Swiss Chalet fundraiser. We thank Lynda Fischer and her team for their work in keeping our monthly fundraising dinners going and to all who support the dinners.

We thank Tanners and Olympic Greek for our previous two dinners, which were excellent. Please check the webpage at legion197.com, and in addition we will be posting information on Facebook.
