Supporting Local Businesses in Your Community

With shopping restrictions changing regularly to comply with the latest public health safety measures our communities need to be kept informed on which businesses are open and how they are ensuring a safe shopping experience.

To help our communities we have created an online business directory that features local businesses that are open, hours of operation and how customers can safely make purchases from the stores.

 Local businesses open in your community. [CLICK HERE](#)

Visit our community website in your area and click on the banner at the bottom of the page.

Our business directory can be accessed from anyone of our 25 Community sites in Ontario. Visit [metroland.com](https://www.metroland.com) to find the community site in your area.
