### Proposed Amendment to the Regional Official Plan "ROPA 48: An Amendment to Define a Regional Urban Structure"

The Regional Municipality of Halton is holding a Public Open House and a Statutory Public Meeting in connection with Draft Regional Official Plan Amendment No. 48 (ROPA 48). ROPA 48 is proposed as a component of Halton Region's Municipal Comprehensive Review pursuant to the Growth Plan, 2019, and Section 26 of the *Planning Act*, as amended.

#### Purpose and Effect of ROPA 48

The purpose of the proposed Regional Official Plan Amendment (ROPA 48) is to help define and provide direction on urban structure. It will identify non-discretionary components of a Regional Urban Structure including strategic growth areas such as Urban Growth Centres, Major Transit Station Areas, Regional Nodes and Employment Areas. It also proposes a limited number of employment conversions supporting the mixed-use development of certain strategic growth areas, sets performance targets related to a mix of jobs and residents in certain strategic growth areas, and updates population and employment allocations assigned to Halton Region to 2051 by the Growth Plan, 2019. The proposed Amendment applies to all lands in the Regional Municipality of Halton.
