SEND US YOUR NATURE PHOTOS

Do you like to take photos showcasing Halton Hills' beautiful nature and landscape? We'd like to feature some of them in the Independent and Free Press. We're looking for photographs of nature at Halton Hills best — animals, plants, sunsets, water scenes, trees, flowers, etc. — shot by local residents of all ages.

Metroland Halton photographer Graham Paine will review all submissions and choose his favourites to be published in an upcoming print edition and/or on theIFP.ca.

You and your photo may also be chosen to appear on the front page of the IFP. Email your high-resolution photos to newsroom@theifp.ca.

Please write 'Halton Hills nature photo' in the subject line.

Be sure to include your

Supporting Local Businesses in Your Community

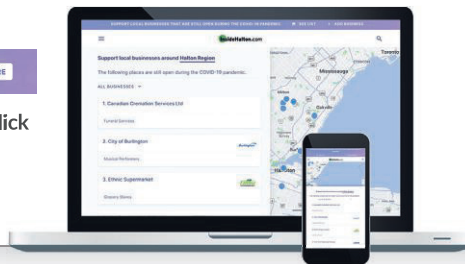

With shopping restrictions changing regularly to comply with the latest public health safety measures our communities need to be kept informed on which businesses are open and how they are ensuring a safe shopping experience.

To help our communities we have created an online business directory that features local businesses that are open, hours of operation and how customers can safely make purchases from the stores.
