SEND US YOUR NATURE PHOTOS

Tony Fortunato photo

Local nature photographers are invited to send us their photos. The deadline is June 30.

Do you like to take photos showcasing Halton Hills' beautiful nature and landscape? We'd like to feature some of them in the Independent and Free Press. We're looking for photographs of nature at Halton Hills's best — animals, plants, sunsets, water scenes, trees, flowers, etc. — shot by local residents of all ages.

Metroland Halton photographer Graham Paine will review all submissions and choose his favourites to be published in an up-

coming print edition and/or on theIFP.ca..

You and your photo may also be chosen to appear on the front page of the IFP. Email your high-resolution photos to newsroom@theifp.ca.

Please write 'Halton Hills nature photo' in the subject line.

Be sure to include your name (the person who shot the image) as well as details of where the photo was taken — all for publication with the photo.

So get out there and start shooting and send your best photo to us. The submission deadline is June 30.
