

Thank you, Milton.

Wilfrid Laurier University is thrilled to join your community with our **new campus.**

Our new **future-focused** programs will bring:

- ▶ Science, Technology, Engineering, Arts and Mathematics (STEAM), centering on planetary health and sustainability
- ▶ Thriving community opportunities: community and industry partnerships, co-op and work-integrated learning, and market-ready research
- ▶ Laurier's distinct academic excellence and student experience

THANK YOU TO

THE GOVERNMENT OF ONTARIO, THE TOWN OF MILTON AND OUR EDUCATION PARTNER, CONESTOGA COLLEGE.
