VACCINE ACCELERATION BRINGS HOPE

THINGS LOOK ENCOURAGING FOR OUR MEMBERS AND COMMUNITY AT LARGE, WRITES DAVID MCLEAN

Summer is here, and a lot of our members have received their second vaccination.

Here's hoping we may be seeing the light at the end of the COVID-19 tunnel.

The Tuesday and Thursday lunches have come to an end, and we wish to thank the Town of Halton Hills and its staff for a great program.

It not only gave us hope, but we were able to see friendly faces and support the local restaurants. We thank them for their sup-

port as well.

We have just hosted our first fundraising fish fry drive-thru, and other than the cool weather, it was a great success. We thank everyone for their support. We are working on another event in July; we will keep you posted.

You can tell summer is here when a trip downtown

shows the lovely flowers are up and the little park looks great.

Many thanks to the BIA, Alex Hilson and his helper Connor.

The Hillsview executive and its members wish to congratulate Acton High School graduate Grace Fuzer on receiving our Volunteer Award. Grace has completed over 409 volunteer hours over the past four years — a job well done.

Grace will be attending St. Lawrence College in the fall, where she will be studying medical laboratory sciences. We wish her well in her studies.

Julie Conroy has been busy arranging the 2022

winter trip to Cuba. So far, 28 people have signed up and if you are interested, please contact the centre.

For golfers, get your clubs polished up; we are working on hopefully a September tournament.

The lending library is still open for books, puzzles, movies and the 50/50 draw.

Thank you to Michelle for keeping us up to date with all of the happenings and what is coming next.

Stay safe so we can get together again real soon.
