

OTICON | More

It's time to reconnect with the voices you've been missing.

Introducing Oticon More™, a hearing aid designed to support how your brain naturally works, allowing you to experience the full sound scene in all its richness.

Communication with your loved ones is enhanced by good hearing.

Using groundbreaking new technology enabled by Oticon's most intelligent microchip ever, Oticon More has been optimized for every listening situation.

Give yourself more, Oticon More. More meaning, balance, and a more comprehensive sound scene. Schedule an appointment with us for more details.
