Pre-Order Summer Savings

Customize your ride and save!

It's no secret that dealerships across Ontario have been having difficulty acquiring new inventory due to parts shortages caused by the COVID pandemic. So why not pre-order a new vehicle customized to your exact specifications?! During the **PRE-ORDER SUMMER SAVINGS SALE**, on now at Georgetown Chevrolet, we're excited to offer all of our great new vehicle incentives on any pre-ordered vehicle! *Customize your ride your way and **SAVE BIG!***

Customize Your Ride

When you pre-order a new vehicle, you can tailor the vehicle to meet your needs perfectly. Whether you do so online or in-store with a Sales Consultant, you can customize every aspect of your vehicle from colour to trim level, packages, equipment, features and more!

Price Protection

It takes a few weeks for your vehicle to be delivered, but that will not effect the price and finance or lease rates you received when you placed the pre-order on your vehicle. So there's no need to worry about the price changing even if the vehicle doesn't arrive for a month or two.

No Obligation

If you pre-order a vehicle and then later find something in our showroom that you prefer, that's not a problem! There's no obligation to your customized vehicle. We would be happy to transfer your deposit to any other vehicle on our lot or any other vehicle on our dealership order list.

All custom orders are subject to GM availability and ordering constraints. On a lease purchase, lease residual values are not guaranteed. Lease residual values are determined at time of delivery.
