Halton's Small Business Centre is here for local businesses

Throughout the COVID-19 pandemic, Halton Region's Small Business Centre has helped support businesses every step of the way. As we begin to reopen our economy as part of the provincial Roadmap to Reopen, our professional team of business consultants can help you understand the safety measures you need to put in place to keep you, your employees and customers safe. Reopening parts of our community and economy is welcome news and could not have been achieved without the commitment of each Halton resident and business—thank you for your continued efforts.
