On November 9, 2020, in Georgetown, ON in his 85th year, David peacefully went to be with the Lord. He was loved by his wife Jane for 37 years and adored by his daughter Tanya (Ryan) Lee. He was the loving Grandpa of Caden and Noah and brother to Michael Carson. He is predeceased by sisters Enid, Ruth, and Judith. David loved God, his family, travelling the world, the Toronto Blue Jays, and dancing along to the big bands of the 1930s and 40s. ROBIN, Fraser

With great sadness, our family announces the peaceful passing of our dear father and grandfather, Fraser Robin, on Sunday, August 8, 2021 at the age of 92 years, at his home in Georgetown. Predeceased by his loving wife of 57 years Donna (nee Whiteside) in 2015. Fraser was the cherished father of Blair, Craig (Linda) and Bethann (Henry), and loving grandfather to Craig and Linda's children Thomas Jeffrey and Kaylee Christine Robin. Fraser will be deeply missed by all. Being the last of the original Robin family that settled in the Asessippi Valley many decades ago, he is now back with all those who passed before him, especially Donna. Taken away so suddenly, she was missed so very much and is now back in his arms once

again with eternal love. Transferred in 1973, by Northern Telecom to their facility in Brampton, Fraser and Donna raised their family in Georgetown and have remained there to this present day. Through work, many volunteer opportunities with Heart and Stroke, Cancer Society, Liberal fundraising, the startup of Waste Wise, and the Georgetown Hospital Association, they have become well known in Georgetown, where they touched many lives and made a lasting difference in the community. Fraser was able to live out the remaining years of his life peacefully and happily in the home he loved thanks to the gentle ministrations of a team from Nurse Next Door who made sure that every day was a good day for Fraser. The family is grateful for their compassionate work. The family asks that in lieu of flowers, please consider making a donation to Cancer Assistance Services of Halton Hills. www.cancerassistance.org Due to covid restrictions a celebration of life service is postponed at this time.

WALLACE, Margaret
(Penman)
Nov. 14, 1942 - Aug. 20, 2012

May the winds of heaven blow softly
And whisper in your ear
How much we love and miss you
And wish that you were here
Loving Wife, Mother and Gran

And have you gone, forever gone
and left us here to weep.

A sweet little flower, nipped in the bud,
no grief or sorrow knew;
just came to earth to win our love
and then to Heaven withdrew.
No stain was on your little heart,
sin had not entered there.

Time may heal the broken-hearted, time may make the wound less sore; but time will never stop the longing for the loved one gone before.
