CARPET PALACE *28 years*

F L O O R I N G S U P E R S T O R E

To our loyal community & friends,

Thank you

Admittedly, the last couple of years have been more difficult than we ever expected. We've seen a lot of ups & downs, but without fail you have continued to show us the most incredible support. For that, we could not be more grateful. It has been over 28 years that you have trusted us to create spaces in your homes that you are proud of and comfortable in. We owe all of the growth that we've seen over those years to you. We wanted to take this opportunity to extend a huge thank you to everyone that has stayed in touch, dropped by for a visit to say hello, encouraged us along the way and referred their friends & family to our services. We hope to be able to continue to help you with your projects for many years to come, but for now, and most importantly, we want to wish everyone nothing but good health, happiness, positivity and security for the future.

All the best,

The Carpet Palace Team
