

SPEEDING TOP VIOLATION DURING PROJECT SAFE START

NEARLY 2,000 TICKETS ISSUED DURING ANNUAL CAMPAIGN

Halton police issued almost 2,000 tickets over 12 days as a part of Project Safe Start.

A total of 1,933 tickets were handed out, as well as 822 warnings, during the annual project, which aims to raise awareness of traffic laws by targeting en-

forcement in areas around schools as children return to school.

Speeding was by far the most common offence, with 941 tickets and warnings issued. There were an additional 156 tickets and warnings for speeding in a community safety zone.

Failure to stop at a stop sign resulted in 583 tickets and warnings.

"The start of the school year is the perfect time to remind drivers of the importance of abiding by the rules of the road, as pedestrian and vehicle traffic increases significantly," said

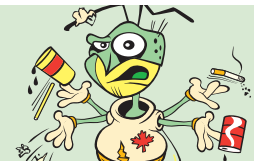

Sergeant William Clayton of the Traffic Services Unit. "It is through education and enforcement that we work towards ensuring the safety of those on or near our roadways."

Project Safe Start is in its 14th year as a reminder for drivers follow speed limits, remain alert for pedestrians and cyclists. Along with enforcement, Halton police conduct a social media campaign to remind drivers to take extra caution around school zones because of the increase in pedestrian traffic.

Halton police issued almost 2,000 tickets, the majority for speeding, during this year's Project Safe Start. Metroland file photo
