Little Baylor Che may have only been on this earth for 55 days, but it's safe to say the impact he made will continue to be felt for years to come.

The Georgetown boy was born last year at a mere 23 weeks to parents Brittney and Patrick Che, who are on a mission to keep his memory alive while also helping others going through the same horrific situation.

IMPACTING YOUR  
COMMUNITY

Patrick and Brittney Che, who lost son Baylor at just eight weeks, hope to help others who've lost a pregnancy or newborn.
