**NEWS**

**NO DETAILS RELEASED ON MARSHALL'S DEPARTURE**

Continued from page 1

Halton Hills communications director Alexandra Fuller previously confirmed to the Independent that Marshall has been on leave from his position since August 2020, but was unable to comment on the nature of his absence and whether he was drawing a full salary this year as "the Town does not disclose employee personal information."

According to the 2020 sunshine list, Marshall earned \$267,597.25 last year, while Mills made \$218,251.86.

The Independent reached out to Marshall for comment, but did not receive a response by press time.

**NOTICE OF CONSULTATION**

Join the conversation on proposed airspace changes in the northern GTA.

NAV CANADA, the country's air navigation service provider, is proposing airspace enhancements around Toronto Pearson Airport. The proposed changes will introduce a new, modern arrival procedure at Toronto Pearson Airport known as Required Navigation Performance Authorization Required (RNP AR) for two runway ends.

RNP AR provides the opportunity to design shorter, more direct routes, enabling aircraft to turn towards the airport sooner. These procedures will support environmental sustainability efforts by significantly reducing greenhouse gases and the overflight of residential areas.

**BE PART OF THE CONVERSATION**

NAV CANADA, in collaboration with the GTAA, wants to hear from you. The public consultation will run from November 1 until December 17, 2021.

Visit [www.navcanada.ca/YZRNP](http://www.navcanada.ca/YZRNP) to learn more about the proposal, register for upcoming online public briefings or to submit a question or feedback.
