

LEST WE FORGET Remembrance DAY 2021

Homage – The Art of Elaine Goble

AT THE CANADIAN WAR MUSEUM UNTIL DECEMBER 12

An exhibition developed by the Canadian War Museum in collaboration with artist Elaine Goble.

Featured here are six of the 14 portraits by Goble that capture the personal legacies of the Second World War veterans and survivors she has met throughout her career. These images also testify to the physical, psychological and emotional impacts of the conflict. Some are traumatic, others triumphant, but all are part of the collective legacy of the Second World War.
