The home of retail therapy and home improvement

Remember when we were deprived of hands-on shopping? Heading to local stores and browsing was a pleasure that we took for granted until retail doors were closed for months due to the pandemic. In-store shopping is back and it's on our doorstep in Downtown Georgetown.

Everything from fashion, craft supplies, home decor and gourmet foods to gifts, gently used items and pet supplies are all available from local retailers. Stroll through Georgetown's historic downtown core and discover its

unique shops and friendly staff.

If home improvements are on your agenda, then Downtown Georgetown has the products and services you need. Whether it's a simple facelift or a big project, look to local home improvement and design experts for advice and items on your list.

Georgetown's historic downtown has plenty of free parking for shoppers and clients visiting its many services. Find a complete list of downtown businesses on the Downtown Georgetown BIA website at www.downtowngeorgetown.com.
