Your memory is as dear today, as in the hour you passed away.

We are sad within our memory, lonely are our hearts today; for the one we loved so dearly has forever been called away.
We think of you in silence, no eye may see us weep; but many silent tears are shed when others are asleep.

Always so good, unselfish and kind none on this earth your equal I'll find. Honorable and true in all your ways, loving and faithful to the end of your days, honest and liberal, ever upright, just in your judgment, always right.

And have you gone,

forever gone and left us here to weep. Till we are called to follow you, and in the grave to sleep; yet since you could no longer stay to cheer us with your love, we hope to meet with you again in the bright world above.
