Memory Trees

View our Memory Trees.

We have three Memory Trees laden with special hand decorated bulbs to remember the lives of our loved ones. Many people

stop, remember and reflect. This year we will have a wreath in remembrance of Our Community Members who lost their lives to covid.

Light Up The Hills

Is a Community Volunteer Organization.

It takes a lot of PLANNING, VOLUNTEER time and MONEY to make our Budget work to put our Light displays together. It takes a COMMUNITY to make it happen.

Some of our biggest challenges are to install the lights and displays with professional and VOLUNTEER labour and then to

keep everything running smoothly through the season. **We need ADDITIONAL VOLUNTEERS.** Another seasonal responsibility is our VOLUNTEER night patrol. It is a good time to take a delightful winter stroll and check-on our displays Weather can play a disastrous role. Freezing rain and high winds are enemies. Another challenge can be vandalism. Again the COMMUNITY can be our partner.

Enjoy the Nativity Display at St Georges Anglican Church Guelph St.

Thank You!
