

# GO RIDERS DESERVE A USABLE SHELTER

This is in response to the recent article about the Acton GO station shelters being reopened soon.

Do the riders not deserve a clean sheltered space to wait for a train? Can there not be a system put in place in which only the riders have access to the shelter?

Before they get on the train, they have to use a transit card to tap to show they have paid. Could they not use the same card to get into the shelter?

Or least the passengers who have a monthly pass?
