Time may heal the broken-hearted, time may make the wound less sore; but time will never stop the longing for the loved one gone before.

Always so good,
unselfish and kind,
none on this earth your equal I'll find.
Honourable and true in all your ways,
loving and faithful to the end of your days,
honest and liberal, ever upright,
just in your judgment, always right;
loved by your friends and all whom you knew,
one in a million, that person was you.

May the winds of love blow softly and whisper so you'll hear; we will always love and miss you and wish that you were here.
