Seeking Nurse Rock Stars

Join our dedicated team as a full-time, part-time or casual nurse. We hire visiting (community) nurses and clinic/shift/eHomeCare nurses.

Learn more and apply:

Our nursing staff enjoy

- ✓ Autonomy
- ✓ Flexibility
- ✓ Meaningfulness
- ✓ Mentorship
- ✓ Endless opportunities for growth and training.

CarePartners helps people heal or age at home, *where they want to be*, while preserving their privacy, dignity and independence.
Owned, built and operated by a nurse. Accredited home health care services since 1983.

1-866-288-4788 ext 1490
recruitment@carepartners.ca

In 2019/2020 alone, 346 Canadians were hospitalized due to the unintentional discharge of a firearm*

If you or a loved one owns a firearm, you have an important responsibility to ensure safe storage

Keep your friends and family safe this holiday season by revisiting SAFE and SECURE storage over the holidays:

- ✓ Review the "Storage, Display, Transportation and Handling of Firearms by Individuals" regulations
- ✓ With lots of children running around over the holidays, double-check to make sure all firearms and ammunition are safely stored and out of reach
- ✓ You may have everything stored safely by safe storage standards, but look around from a child's perspective:
 - make sure keys and combination codes are not accessible to visitors
 - keep ammunition stored safely out of reach of curious children

For more firearms safety information, please visit the FSESO website: <https://fsezo.org/community-safety/>
