A wonderful person,

friend and aide, one who was better God never made; a wonderful worker, so loyal and true, one in a million – that person was you. Just in your judgment, always right; honest and liberal, ever upright; loved by your friends and all whom you knew. Our wonderful friend – that person was you.

Time may heal the broken-hearted, time may make the wound less sore; but time will never stop the longing for the loved one gone before.
