Add some sparkle to your gift giving

Whether this is the Christmas to “put a ring on it” or a special someone deserves a special gift of fine jewellery or an exquisite watch, Fire and Ice Jewellery Emporium can help wrap up your holiday shopping.

For the past 28 years, owners Brian and Cheryl have offered a local shopping opportunity that features an impressive selection of quality jewellery, custom designs and giftware for all occasions. The Guelph Street shop also provides cleaning and watch repair, a service that is valued by customers.

“We offer quality selection and timely service,” says Brian.

Whether it’s a pair of sparking diamond earrings, or a champagne diamond set in rose gold, a purchase from Fire and Ice will brighten the holidays for a special someone on your list. Choose from a stellar selection of made-in-Canada designs to suit any taste and budget.

“It’s always an honour to play a small part in someone’s special moments,” states the owners on their Facebook page. Regular updates feature new and enticing pieces that have been recently added to the product line at the local jewellery store.

For the little ones on your gift list or to celebrate a new arrival or special occasion, Fire and Ice now features “My Baby Rocks”. The adorable designs are just as sweet as the potential recipients. Designed for ages 1 to 12, the earrings, necklaces and rings are crafted from 10 karat gold and set with genuine diamonds or birthstones.

If you can’t decide on a gift, Fire and Ice gift certificates make the choice simple.

To accommodate holiday shoppers, Fire and Ice is now open seven days a week adding Sunday hours from 11 a.m. to 5 p.m.

Check their Facebook page for updates, drop by the store at 310 Guelph St. Unit 5 or call 905-873-4405.
