from **DECEMBER 17<sup>TH</sup> to 23<sup>RD</sup>**

Christmas and the Holidays may still look a little bit different this year, but we haven't given up on making the season bright!

The Burlington Post, along with Lexus of Oakville, have created a unique and memorable experience where families can visit with Santa virtually on a special Santa Zoom call. This one-on-one virtual visit gives children the opportunity to see and chat with Jolly Old Saint Nick. When you register your child for the Zoom call, there's even an option to have your child's photo taken with Santa (thanks to the magic of Photoshop), and after the virtual visit every child will receive a personalized letter from Santa!

To add a little sparkle to the holiday season, this experience is completely free of cost. It's our way of doing our best to keep the joy and magic of Christmas alive this holiday season.
