...Mom and Dad...

Missing you at Christmas and always. Every day without you since you had to go is like summer without sunshine and winter without snow. We wish that we could talk to both of you.

There's so much we would say. Life has changed so very much since you went away. We miss the bond between us and we miss your kind support.

You're in our mind and in our heart, and in our daily thoughts.

We'll always feel you close to us and though you're far from sight.

We'll search for you among the stars, that shine on Christmas night.

Missing your smile, laughter, kindness, helpfulness, generosity, love, courage, and the sound of your voices.

Love Bev, Paul, Shaun, Shannon, Gianni, Grace and Cole

**Dan Mossop**

In loving memory of a dear husband, father, grandfather and great-grandfather who passed away December 19, 2011.

We miss you in so many ways, We miss things you used to say, And when old times we do recall, It's then we miss you most of all. Forever in our hearts. Helen and family

Keeping your thermostat above room temperature in the summer, and below room temperature in the winter can help reduce the effect your home has on the environment while helping reduce your energy costs.
