Leave the Car at Home
Try walking or biking to work for a week.
If the office is too far, take public transit.

Waste Less, Compost More

Roughly one third of waste that enters
Canada's landfills each year is composed
of organic materials.

If each Canadian committed to composting a portion of their waste
each year it could assist in reducing waste and lowering emissions.

Support Local

Support farmers by buying locally grown produce. Purchasing sustainably grown produce
helps to reduce the environmental impact caused by long-haul food items.
