**Notice of Public Meeting METROLINX GO Expansion Program – Heritage Road Layover Transit Project Assessment Process**

Year after year, train by train, bus by bus, Metrolinx has steadily increased GO Transit service. And now, that work is taking on a whole new energy. We're building transit service that will change life in this region through the GO Expansion program. More than a rush hour commuter service, GO will offer more service with faster trains, more stations, and seamless connections to a regional rapid transit network. GO Expansion will make the network better, faster, and easier to travel within.

**The Program**

Metrolinx is proposing to expand service along the Kitchener Corridor, which runs from Union Station to Kitchener GO Station. A new layover is required to provide additional storage capacity for two-way all-day service to Mount Pleasant GO Station, known as the Heritage Road Layover.

**The Project**

Metrolinx is proposing to build the new Heritage Road Layover to accommodate increased service and support the need for additional train storage and maintenance associated with the planned growth and service improvements on the Kitchener rail corridor that are being planned and implemented as part of Metrolinx's commitment to GO Expansion. The Environmental Assessment for this project is being completed under the Transit Project Assessment Process (TPAP) (Ontario Regulation 231/08).

**Study Area**

The site of the proposed layover facility is on the Canadian National Railway (CN) Halton Subdivision portion of the Kitchener Corridor between Heritage Road (Mile 20.14) and Winston Churchill Boulevard (Mile 21.15) in the City of Brampton, Regional Municipality of Peel.

**Join Us at our Upcoming Virtual Public Information Centre**

Metrolinx is hosting a virtual public information centre (PIC) to introduce the Heritage Road Layover project, as well as provide information relating to the GO Expansion Program, and the TPAP process. Materials will be made available online starting Wednesday January 12, 2022, with an open review and comment period until Wednesday January 26, 2022. Visit the consultation website or scan the QR code for all information and to review the PIC materials: <https://www.metrolinxengage.com/en/content/kitchener-corridor-heritage-road-layover>

**We Welcome Your Questions and Comments**

Your comments are invited throughout the TPAP period. We encourage members of the public, agencies, and other interested persons to ask questions and provide feedback. If you have any project-related questions, would like to be added to the Project's mailing list, or would like to provide input please contact:
