Local options for pet owners

Pet owners looking for the perfect gift for their special companions can find it at one of Georgetown's pet supply stores. Find their favourite treats or a new toy as well as daily necessities like food and over-the-counter treatments.

Services for pets are also in good supply including classes from puppy training to behavioural modification as well as professional grooming, boarding, walking and day care facilities.

For those who enjoy attracting wild birds to their properties, bird feed and related supplies can be found close to home. Check out delivery and curbside pick-up options that are being offered

for the convenience of shoppers.

Shopping locally is a gift to merchants who count on your patronage, but also to the community that needs a vibrant business sector. The success of local businesses enriches the cities in which we live. Local merchants are counting on their neighbours and fellow residents for support.

Downtown Georgetown is a local shopping destination for pet owners and nature enthusiasts. Check out the list below for related merchants. Find a complete list of businesses on the Downtown Georgetown BIA website at www.downtowngeorgetown.com.
