VIRTUAL VISIT WITH *Santa Claus*

Thank you to our sponsors!

A note from Santa...

Ho Ho Ho! It was another great festive season of getting to visit all my friends in Halton Hills, it's always great to talk to you! Mrs. Claus and I are taking our well-earned January vacation, but it won't be long before we are back at it getting ready for Christmas 2022!

We just wanted to say thank you to the Independent & Free Press and to all the sponsors you see that helped establish our Zoom connection from the North Pole. We couldn't have done it without them! Love, Santa.
