

# HILLSVIEW GEORGETOWN NOW REOPEN

## PLEASE NOTE PROTOCOLS AND CAPACITY LIMITS IN PLACE, WRITES FLORENCE RIEHL

FLORENCE RIEHL  
Column

Here we go again. The Hillsview Active Living Centre in Georgetown is once again reopen to members and will operate as it did prior to the Jan. 5 closure.

What this means is programs such as carpet bowling, crafts, mingle and chat, bid euchre and scrapbooking will restart with a maximum of 10 members per room.

Reception, library and Food For Life volunteers have resumed their duties. At this time, the kitchen will remain closed and you are not allowed to bring food or beverage into the centre until further notice.

Like before, you must pre-register for all programs by calling the centre at 905-877-6444.

The vaccination protocol from the region's medical officer of health requires all program participants, members, staff and volunteers to be fully vaccinated. The QR code passport is the required form of proof of vaccination each time you come to the centre.

All programs are open to members only, so if you would like to attend, renew your membership. We thank

all of you who have renewed for your continued support of the centre.

The Wednesday drive-thru lunch program for \$5 will continue until the end of March. You will receive a weekly notification about menu and signing up. Payment must be received by noon on the Tuesday before.

Please note that the computer classes listed in the new Hillsview book have been cancelled and will be moved to a later date.

We have partnered with Konzelmann Estate Winery to share a fundraiser with our members. Fifteen per cent of all sales made by Hillsview members will be donated back to the Georgetown Centre. Instructions on how to order are in the newsletter.

Order through [www.konzelmann.ca](http://www.konzelmann.ca), or you can call the centre for help.

If you have paid to take an Active Living program, you will be notified by the town as to when they will resume.

The cannabis presentation scheduled for Jan. 31 was cancelled and will be rescheduled for early summer.

Hillsview Georgetown's annual general meeting is coming up on Thursday, April 7. At present, we are seeking four positions for the board of directors. Consider joining our Hillsview leaders who bring vision, dedication and energy to making a difference in their Centre.

If you are interested in joining, please contact Heather Beaumont or Sherry Mitchell.

*Florence Riehl is an active member of the Hillsview Active Living Centre in Georgetown. She can be reached at [freeflo@sympatico.ca](mailto:freeflo@sympatico.ca).*

## ... Lend Me Your Ears

### DISTRACTIONS WHILE DRIVING

You have probably heard recently, that legislation has been passed that will target drivers using cell phones while operating a motor vehicle. We all know that distractions are a dangerous combination and common part of driving on today's congested roadways. Any way to lessen the number of distractions faced daily would greatly help one to focus on the task at hand, and get on with their day. At the Georgetown Hearing Clinic, we do not condone the use of cell phones while driving, but when absolutely necessary, a hands free device, such as a speaker phone, Onstar™ or a bluetooth connected earpiece can be very useful and help reduce distraction - not to mention allow the driver the use of both hands.

At The Georgetown Hearing Clinic, we provide a wide variety of custom fit and non custom fit bluetooth hands free devices.
