

Then: EHS; Now: Alison Walker

This photo (circa 1952) shows three homes on Guelph Street, including Bill McDonald's house at 243 Guelph Street. The three homes were demolished and Johnson Real Estate, now Royal LePage, was built on the land. Today, a new commercial building, which includes a KFC, is being constructed on this site, located across from Kelsey's and beside Living Lighting. Courtesy of Heritage Halton Hills and Esquesing Historical Society.
