### Proposed Amendment to the Regional Official Plan "An Amendment to Implement the Integrated Growth Management Strategy"

The Regional Municipality of Halton is holding a Public Open House and a Statutory Public Meeting in connection with Draft Regional Official Plan Amendment No. 49 (ROPA 49) pursuant to Sections 17 and 26 of the *Planning Act*, as amended. Draft ROPA 49 is proposed as a component of Halton's Regional Official Plan Review and municipal comprehensive review process pursuant to the Provincial Growth Plan for the Greater Golden Horseshoe and Section 26 of the *Planning Act*, as amended.

#### Purpose and Effect of ROPA 49

The purpose of proposed Regional Official Plan Amendment (ROPA 49) is to implement the results of the Region's Integrated Growth Management Strategy, which considered how to accommodate growth in Halton to the 2051 planning horizon as a part of the municipal comprehensive review process. The proposed ROPA implements Regional Council's direction to accommodate population and employment growth within Halton's existing Regional Urban Boundary to 2041 and to develop a framework for planning for growth from 2041 to 2051. The proposed ROPA also includes changes that support Halton's growth strategy and achieving conformity with the Provincial Growth Plan such as updates to policies and mapping related to Settlement Area boundaries, the Regional Urban Structure, Strategic Growth Areas, and Employment Areas, as well as forecasts and targets for population and employment growth, intensification, density and Regional phasing.
