

COLLISION REPAIR SHOP RAISING FUNDS FOR UKRAINE

A local business is doing its part to assist those affected by the conflict in Ukraine.

CARSTAR MGM Auto Group, which owns CARSTAR Georgetown and CARSTAR Milton, has launched a campaign to raise funds that will be used for food, medical costs, shelter and transportation needs.

Business owners Kapi Komera and Mike Cherneta say they're deeply invested in supporting the cause as Cherneta was born and raised in Ukraine. They've created a GoFundMe, with proceeds going to the All Slavic Full Gospel Church in Hamilton, which is organizing assistance for those impacted within Ukraine and refugees who fled.

Local CARSTAR collision repair shops are raising funds to help Ukrainians with food, medical costs, shelter and transportation needs.

"Our goal is to reach \$45,000 in funds raised, so that Ukrainians in need can receive the vital support required to get through this tumultuous time," said Cherneta. "While this is a deeply personal cause for me and my family, I know

others can understand the gravity of the situation and hope we can unite the collision repair community to support the Ukraine in its time of need."
