PUBLIC SCHOOL BOARD SURVEY UNDERWAY

A survey is now underway for Halton District School Board students, staff and parents/guardians to have their say on topics such as learning and instruction, safety and school environment.

The Have Your Say survey is open until April 21

The information gathered from the survey will help the board continue to inform school improvement and well-being plans and allow parents/guardians and students to have a voice in creating a supportive community in HDSB schools. The survey will also provide the board with feedback regarding the goals and targets in the HDSB's Multi-Year Plan 2020-2024.

Information collected from the survey will be shared in the fall.

"As partners in education, your input is valued and appreciated," said Curtis Ennis, HDSB's director of education. "The board is committed to fostering an inclusive environment and building relationships to continually improve the educational experience for all students. Engaging students, parents/guardians and staff is critical to student success, which is why we're inviting you to complete this online survey. With your feedback, we can help guide meaningful change to improve student learning, well-being and success."

The Have Your Say surveys will take approximately 10-15 minutes to complete. The surveys are confidential, with individual responses grouped together for analysis. For parents/guardians, the survey is available in seven additional languages: Arabic, French, Hindi, Punjabi, Simplified Chinese, Spanish and Urdu. Respondents can select their preferred language when they begin the survey.

Additional information, including Frequently Asked Questions (FAQs), can be found at haveyoursay.hdsb.ca or by emailing haveyoursay@hdsb.ca.
