**STEWART, Kathryn Bernice Joy**

she could. She graduated high school with honours, earning numerous awards on the way and was accepted to five universities. She had the opportunity to attend Queen's University in the fall of 2021 with the goal of receiving a psychology degree.

She was a proud ambassador for the SickKids Foundation, sharing her story at too many events to mention, and helping raise much needed money in support of childhood cancer research as well as establishing her own fundraiser Kathryn's Krop 4 a Kure.

Her family is forever grateful to Dr. Irwin, Denise Mills and Dr. Morgenstern as well as all the nurses and other health professionals for the amazing care and support they provided to Kathryn over the years.

Friends will be received at the Jones Funeral Home, 11582 Trafalgar Road, Georgetown on Friday from 6 - 9 p.m. A celebration of Kathryn's life will be held at the Norval United Church, 14015 Danby Road, Georgetown on Saturday, April 9, 2022 at 2 p.m. Interment at Greenwood Cemetery, Georgetown. Peacefully our determined, faith-filled hero passed away in her father's arms on Saturday, April 2, 2022 at the Credit Valley Hospital, Mississauga. "Our loss is Heaven's gain". Kathryn fought the good fight, finished her race and kept the faith. Now, she gets her eternal reward. Kathryn just turned 19 on March 28th, beloved daughter of Heather and Greg Stewart. Proud sister of Geoff. Cherished granddaughter of Eleanor and Murdoch Robertson, Joy (Brian Harper) Stewart and Bev (the late Hugh) Stewart. Loved niece of Cathy (Mike) Alfano, Karen (Ray) Stewart, John (Carolyn) Robertson, James (Laurie) Robertson, the late Sharyl Robertson-Cole, Phil (Odessa) Brooks, Chris Brooks and the late Richard Brooks. She will be greatly missed by all her cousins and Gillian Langen.

In the 14 years since her diagnosis with Neuroblastoma, Kathryn met every challenge with steely determination and clarity. She put family, faith, friends and school first. She defied the odds so many times. Kathryn refused to be defined by her diagnosis and prioritized living a full life, having as many experiences with her family and friends as

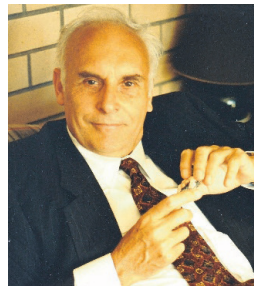

Do not stand at my grave and weep, I am not there, I do not sleep,  
I am a thousand winds that blow, I am the diamond glint on snow,  
I am the sunlight on ripened grain, I am the gentle autumn's rain.  
When you awaken in the morning hush, I am the swift uplifting rush.

And have you gone,  
forever gone and left us here to weep.  
Till we are called to follow you,  
and in the grave to sleep;  
yet since you could no longer stay  
to cheer us with your love,  
we hope to meet with you again  
in the bright world above.

**EVANS, Phil**

June 5, 1935 - March 23, 2022

Phil Evans, beloved husband, father, grandfather and great-grandfather, died peacefully at home on the afternoon of 23rd of March. We will be gathering to celebrate his life, and to rest in love and joy as we share favourite memories and stories of a wonderful man who will be fondly remembered and greatly missed. Phil is survived by his loving wife of 16 years, Pat, his four children David, Lisa, Gareth and Gillian, and two step-sons Will and Charlie. Phil was the loving grandfather of Ty, Fola, Alfie, Ruby, Josh, Kate, and Harry and the loving great-grandfather of Ty's daughter Leela who was born last year. Phil was pre-deceased by his beloved first wife, Eileen and his beloved grandson, Joe. Phil was a Shropshire lad through and through. He was down to earth and centered in a profound

love of the countryside, which he roamed, wildly, as a boy. As a man, his love of the woods took him most days to the Bruce Trail in and around Georgetown, his second home, to rest his brilliant mind in the peace of nature. He was a passionate bird watcher and could identify species by their song, nesting behaviour and movement in flight. Phil was a soccer fan and a life-long supporter of Burnley FC. He had a love of classical music - especially Beethoven - and earlier in his life trained to become a classical pianist. Phil graduated in metallurgy from the University of Birmingham in 1957 and enjoyed a successful career of over 40 years as a hydro-metallurgist which took him around the world many times over. Phil began his career in 1960 when at just 25 years of age, he became the Assistant Works Manager at a tin smelter in Jos, Nigeria. This was the beginning of a long love affair with Africa, a place to which he would return many times to live and work, and to enjoy with family the special wonder of animal and birdlife on safari in the Okavango Delta of Botswana or Etosha Pan of Namibia. Phil's love of Canada began early in his career. His

four children spent their earliest years in the beautiful maritime province of New Brunswick where Phil was Superintendent of a cadmium and arsenic trioxide plant. The family later returned to England where Phil was Senior Metallurgist with Davy, UK. He spent the last 35 years of his life in Canada, including five years as President of HG Engineering in Toronto from 1999-2004 when he transformed the fortunes of the company through the realization of his vision for a new team focused on international process engineering. Phil was a great and fearless adventurer with a love of life, a great sense of humour and tireless energy. He and Pat lived in Georgetown, Ontario where he was loved and admired by friends and neighbours. Phil's very many kind and generous deeds will never be forgotten. A beloved cocker spaniel, Laddie, was Phil's constant companion. Please contact the Jones Funeral Home for service details (905) 877-3631 or [info@jonesfuneralhome.co](mailto:info@jonesfuneralhome.co) In lieu of flowers, please make donations in Phil's honour to the Bruce Trail Conservancy or The Parkinson's Foundation.
