HALTON OUTDOOR CLUB HOSTS SPRING INFO FAIR

The Halton Outdoor Club, a not-for-profit volunteer-run organization which offers recreational activities all year round, is holding its Spring Info Fair Saturday, April 30.

The event will run between 1 and 3:30 p.m. on the front lawn of Johnson Outdoors Canada, 4180 Harvester Rd. in Burlington.

Included in the activities offered for adults throughout the year are cycling, hiking, kayaking, cross-country skiing and snowshoeing.

"We have been enhancing the quality of life for Halton's adult residents for the past 49 years, by providing them with organized activities that allow them to be active and energized together outdoors. And over the past 24 months our members have told us that these outdoor activities have helped to keep them sane and happy," said Ephraim Fernandez, HOC's director of pub-

licity and promotion.

The HOC helps facilitate an active lifestyle outdoors and a safe environment in which to be socially active, he said.
