

MEET RYAN KAHRO, GREEN CANDIDATE

NAME: Ryan Kahro
RIDING: Wellington—Halton Hills
PARTY: Green Party of Ontario
RESIDENCE: Rockwood
PAST POLITICAL EXPERIENCE: My political experience has been as a concerned observer and mother of three who knows politicians could make better decisions.

HOW WOULD YOU GRADE THE PROVINCE'S COVID-19 RESPONSE, AND WHY?

Our province gets an F. The impact of this pandemic was a blow to the health of our citizens as the Conservative government tried to limit the spread of COVID only to the extent they could operate the economy in the way privileged people wanted.

WHAT ISSUES ARE AT THE FOREFRONT IN WELLINGTON-HALTON HILLS?

Affordable living is

what I am hearing at the doors. The Ontario Green Party has a master class housing policy that would bring relief and options to the community immediately.

Climate change fears have people feeling that it's too big and too hard to make a difference. This is not true. Ontario has more resources, technology, science, and education than ever before. Sprawl and

Highway 413 are huge threats to future generations. We must protect all our resources (water, farmland, food, wetlands, and people) to have a healthy and successful transition to a climate-connected future.

IF ELECTED, WHAT DO YOU PLEDGE TO DO?

Our Wellington-Halton Hills Green team is composed of exceptional women, moms who are ready to get this mess cleaned up for our kids and to take care of everyone. Wellington-Halton Hills is well-positioned to be a world leader and to capitalize on a successful transition to a green economy. The foundation has been laid and the time is now. Let's do this.

MEET RON PATAVA, CONSENSUS PARTY CANDIDATE

RON PATAVA

NAME: Ron Patava
RIDING: Wellington-Halton Hills
PARTY: Consensus Party of Ontario
RESIDENCE: Georgetown
OCCUPATION: Business consultant
PAST POLITICAL EXPERIENCE:

Ron Patava is a member of the board of directors for the Consensus Party for Wellington-Halton Hills.

He is a lifelong learner and was taught many core values such as the importance of democracy by my parents who came to Toronto from war-torn Eu-

rope.
HOW WOULD YOU GRADE THE PROVINCE'S COVID-19 RESPONSE, AND WHY?

I think people did the best they could, given the time. I'm not going to assign a grade because we have nothing to compare that to. Nobody knew about this. I don't think you can give a grade to any government in the world.

IF ELECTED, WHAT DO YOU PLEDGE TO DO?

The idea will be to go out and poll scientifically and find out what are the priorities of the constituents of Wellington-Halton Hills. Not take direction from the political leadership of the party because they tend to look across the province on issues and concerns and politicize them.
