

Let's Talk
Halton Hills

Eighth Line Municipal Class Environmental Assessment
Virtual Public Information Centre #3
June 6, 2022, 6:30-8:30 p.m. via Zoom

The Town of Halton Hills is undertaking an assessment for improvements to Eighth Line from Steeles Avenue to Eighth Line, due to increased population and greater demand on our roads network. Following an extensive evaluation, the preferred solution is to widen Eighth Line within the study area with improvements to be made to the existing road infrastructure and active transportation features. An Environmental Study Report (ESR) will be made available for public input once the study is completed.

Join us on June 6, 2022 at 6:30 pm for a virtual Open House featuring a presentation on the project's status and design concepts, followed by a Question and Answer period.

Register for the Open House, find out more about the project and provide feedback online (prior to June 27, 2022) by visiting letstalkhaltonhills.ca/eighth-line.

If you or someone you know has any issues accessing the presentation and engagement material, please contact:
Maureen Van Ravens, C.E.T., Town Project Manager
at 905-873-2600, ext. 2314 or via email at maureenv@haltonhills.ca

IN BLOOM

Graham Paine/Metroland

Maud Brenckmann looks for some of her favourite garden plants at Georgetown Horticultural Society's annual plant sale, with eager gardeners lining up to get inside the Living Hope Church hall for their favourite garden or house plant.
