One Degree at a Time

Keeping your thermostat above room temperature in the summer, and below room temperature in the winter can help reduce the effect your home has on the environment while helping reduce your energy costs.

Waste Less, Compost More

Roughly one third of waste that enters Canada's landfills each year is composed of organic materials.

If each Canadian committed to composting a portion of their waste each year it could assist in reducing waste and lowering emissions.

Adriano
MARINELLI'S
True Italian Pasta Sauce™

Suddenly,
Pasta became
an afterthought.

*Elevate your meal with the sauce
that top chefs are raving about.*
