

# THE NEW BLUEPRINT

The New Blue Party of Ontario **will fight to end all COVID-19 mandates**, including: a complete repeal of Doug Ford's emergency measures; a ban on COVID-19 vaccine passports; a reduction in the powers of local bureaucrats; and restitution for those harmed by emergency measures applied by the governments of Justin Trudeau or Doug Ford. **We will:**

- ✓ **Renew political accountability**  
by scrapping the \$100 million taxpayer subsidy of political parties, banning lobbyists from party politics, and cracking down on voter fraud in internal party elections.
- ✓ **More Attainable Housing Locally**  
Promote mixed housing new developments with 30% being Attainable housing with rent to own options. No investment speculation in the Attainable housing sector.
- ✓ **Grow Ontario's economy**  
at 5% annually by taking down wind turbines to reduce electricity rates and slashing the regulatory burden to improve productivity.
- ✓ **Provide tax relief**  
with a 3 percentage point cut to the HST and axe the Doug Ford carbon tax.
- ✓ **Reform education**  
by reducing administrative costs, introducing alternative schooling tax-credits, and stopping "woke" activism with the removal of critical race theory and gender identity theory from our schools.
- ✓ **Restore dignity & transparency in our healthcare**  
by expanding early treatment for COVID-19, and clearing the backlog of procedures by rehiring healthcare workers and offering choice in services.

Standing up for you with the New Blue!
