

Georgetown GO Station Area/Mill Street Corridor Secondary Plan Review

## Virtual Public Information Centre

June 20, 2022, 6-8 p.m. via Zoom

The Georgetown GO Station Area/Mill Street Corridor Secondary Plan is under review and the Town is looking for community input on its contents including cultural and natural heritage, transportation, urban design, parks and open space and sustainability.

The existing plan will be reviewed to ensure conformity with updated Regional and Provincial policies. The process will also evaluate intensification opportunities while considering local context and the need for preserving the unique character of the existing community.

Join the virtual Public Information Centre to learn more about the secondary planning process, meet the project team and join in on the discussion. Register for the event on the Georgetown GO Station Area/Mill Street Corridor project page on [letstalkhaltonhills.ca](http://letstalkhaltonhills.ca).

If you or someone you know has any issues accessing the online material, please contact us directly at 905-873-2600, ext. 2900 and arrangements will be made to provide hard copies of the public engagement material and options for submitting your comments and questions to us.
