Together in Safety

Building Connections in Firearms Safety

Everyone can play a part in keeping our communities safe.

Together in Safety is a public education program promoting awareness and education in harm prevention and firearms safety.

A partnership between the Chief Firearms Office of Ontario and the Firearms Education Service of Ontario, Together in Safety will focus on community safety in four key areas:

- Dementia and Firearms
- Intimate Partner Violence
- Unintentional Discharge
- Suicide Prevention

Together with community experts in mental health and safety, we will host public information sessions, build an online resource library, and spread awareness through community outreach and social media campaigns.

Let's work together to keep Canadian communities safe.

Please visit our website for information and resources related to harm prevention and firearms safety.
