Thank you from Emilio's Pizza Napoletana.

I've only been making authentic wood fired Neapolitan Pizza for a short time and **VOTING us #1** is an incredible honour!

I accept orders only on special days, which I advertise about on Facebook and Instagram. Orders can then be placed by messaging me on those platforms.

Be sure to follow **Emilio's Pizza Napoletana** on social media to find out locations, dates and times for when I'll be cooking some pizza next!

Taste Georgetown's only wood fired pizza vendor/restaurant making true authentic Neapolitan pizza!
