Do not stand at my grave and weep, I am not there, I do not sleep, I am a thousand winds that blow, I am the diamond glint on snow, I am the sunlight on ripened grain, I am the gentle autumn's rain. When you awaken in the morning hush, I am the swift uplifting rush, of quiet birds in circled flight, I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there, I did not die.

Do not stand at my grave and weep,
I am not there, I do not sleep, I am a thousand winds that blow,
I am the diamond glint on snow, I am the sunlight on ripened grain,
I am the gentle autumn's rain. Do not stand at my grave and cry,
I am not there, I did not die.
